How Parties And Group Packages Work!

Parties and events are approximately 2 hours in length. Larger groups may require a longer time. Guests will first be given a glowing wrist bracelet, organized into groups of four or less and receive a glowing putter & ball. Gophers glowing mini-golf adventure will take approximately 45min - 60min to play, depending on the size of your group and how busy the course may be.

Following your fun game of glow-in-the-dark mini-golf, groups will gather in a private glowing party room for approximately 1 hour. Your group may choose to enjoy hot pizza, cold drinks, open presents, make great glowing memories!

Gophers has the coolest glow-in-the-dark loot bags for parties. Purchase one of Gophers cakes to help celebrate your party. You may bring in their own cake, however ice cream cakes are not allowed. We even supply the plates, forks, napkins and candles! No other outside food or drink is permitted to enter Gophers.

A non-refundable deposit of \$50.00 with a signature is required at time of reservation. At that point invitations for parties will be supplied. All applicable taxes are extra.

Events are booked on a first come first serve basis.

Have fun and let Gophers do all the work!
